

The SRTC has agreed with the BAC that the sports therapists and sports massage therapists eligible to participate in the scheme and provide sports and remedial therapy treatment to their athletes must meet the following criteria.

- Registered with the voluntary regulator for sports and remedial therapy and sports massage, the CNHC
- Hold a minimum of £3m combined medical malpractice, public and products liability insurance
- Have a minimum of 5 years practical sports therapy experience **or** 7 years practical sports massage experience in dealing with sports injuries
- Register to participate in a clinical competency workshop within 12 months of joining the scheme (fee approx £60)
- Hold full professional membership of FHT
- Agree to charge BAC athletes a single treatment fee of £20*

BAC athletes will access the database of eligible therapists held on the SRTC website and will be required to show their BAC membership card to the therapists to be eligible to receive the £20 single treatment fee.

Please contact the FHT to be verified to be able to participate in this exciting scheme to work with elite athletes and to register to attend a clinical competency workshop within 12 months of joining the scheme.

On successful verification of your skills, competencies, experience and registration with the CNHC you will be added to the BAC database.
